Pastor's Corner

This past week, we had a daily mass reading from the Letter to the Hebrews that counsels the following: "Take care, brothers and sisters, that none of you may have an evil and unfaithful heart, so as to forsake the living God.

Encourage yourselves daily while it is still 'today,' so that none of

you may grow hardened by the deceit of sin. We have become partners of Christ if only we hold the beginning of the reality firm until the end." Implicit to this warning is that we should keep close watch over our hearts (and minds, for that matter), so that they are not imperiled by the various elements of daily life that can corrode our souls. It is wise for the epistle-writer to advise us to maintain close attention to this because such corrosion can often happen in subtle, gradual ways that escape our notice. For example, as we spend time with coworkers who engage regularly in a toxic form of humor, little-by-little, that tendency can rub off on us, even when we are in other settings with other people, like our friends and family. I remember that happened with me during my early twenties. I had picked up the habit of very caustic banter practiced by some of my coworkers at that point. One evening I was out with my sister, a cousin, and my cousin's friend to whom I offered a retort that was quite unusually glib and harsh for me. The remark caused them to all look up at me quite taken aback with various expressions that seemed to convey a reaction of "ouch." Their reaction proved a valuable alert that my work environment was having a negative effect on my persona that I had not noticed. I was fortunate to get that alert relatively early, which enabled me to work toward making changes similarly early. Some people who allow their environments to change their personalities for the worse do not get the benefit of their friends or family giving them any kind of heads-up. In many such cases, what happens instead is that those friends or family simply distance themselves without offering any explanation for this to the friend or family member who has changed. If we want to avoid this fate, it is very valuable for us to do a regular examination of conscience so that we can catch stuff like that early and nip it in the bud. We Dominicans make a point of doing such an examination every night, because it is like an early health screening for our souls. Let us all strive to keep a close watch on how we are doing with the Lord and each other. With such a precaution, we have a much better shot at staying in good spiritual health!

YEAR OF

HOPE

DECEMBER 24, 2024 - JANUARY 6, 2026

To see God. To be living stones in His temple. To unite all creation in Christ.

Join us in living the Jubilee Year called by the Holy Father, Pope Francis. The Jubilee Year is an opportunity for every Catholic in our Diocese to make real our call to be Pilgrims of Hope in Northern California. All 12 sites have an anchor for the duration of the Jubilee Year. It is a visible symbol of Jesus' **anchoring** love for all of us and a reminder of our call to be Pilgrims of Hope for the world.

The Feast of Santo Niño is a Catholic celebration that honors the birth of Catholicism in the Philippines and the Infant Jesus. It is celebrated in January, commemorating the gift of an image of the Infant Jesus to a Filipino ruler's wife by Ferdinand Magellan over 500 years ago. In the words of Pope Francis, the Holy Child is the Protector of the Philippines for half a millennium thus His significance both in our history and culture.

It is an honor that we now celebrate this tradition at St. Dominic's Church here in Benicia! Pictured above are parishioners statues that they bring with them to the votive Mass to have blessed. Thank you all who attended!

Legacy & IRA Giving

You can remember St. Dominic's, Benicia in your estate plans through your will, retirement plan or other assets. Legacy gifts are used for capital projects that may otherwise not be possible and are never used for day to day expenses. For example the parish hall renovations! You can even designate your gift to a specific fund (i.e. building fund).

If you own a traditional IRA and are over the age of 70 1/2, the IRS requires that you take yearly distributions (MRD's). But did you know you can designate the MRD to St. Dominic's Church and you don't have to pay taxes on the distribution? For more information, visit the IRS website or contact your tax or financial consultant.

For more information or to explore your options please contact Teresa Stone at tstone@stdombenicia.org or 707-335-4672
