## Pastor's Corner

You may remember that in a Pastor's Corner near the beginning of Advent, I recommended formulating some New Year's resolutions. I encouraged this for Advent because the season marks the beginning of the liturgical year. Given that our prayer at the liturgy should flow into how we live our

lives in general, the start of the liturgical year is a logical time for reflecting on how we want to grow throughout the rest of the twelve months. Have you had a chance to do any of that reflecting? If so, do you have any resolutions you would like to pursue during the coming months? For example, one goal I have pertains to keeping track of the various administrative details I must manage as pastor in a more thorough way. What feels very hopeful to me about this goal is that improvement seems assured if I can just get better at some common-sense habits. An example would be that sometimes I let little tasks fall through the cracks because I did not write them down on my office "To Do List." In other cases, I wrote the task down on my office to-do-list, but I also needed to schedule a little alarm in my phone to remind me to do it at the right moment. These are easy ways to set ourselves up for administrative success, and pretty much all of us know about them. The difference is between those of us who implement them into our lives, and those who do not and continue letting various little-but-important tasks fall through the cracks. On the topic of habits, another goal I have for this year is getting better at my pronunciation of Spanish when celebrating the Spanish mass. There are certain words in Spanish that I seem to pronounce in a strange way, often with the wrong emphasis on the wrong syllable, even though I technically know how to pronounce them correctly. As an example, even though I know the correct way to pronounce the word "pecados," I always say it with the wrong emphasis when celebrating mass. It is just a goofy little habit I need to break. And in order to help me break it, one of our wonderful volunteers at the Spanish mass is going to be meeting with me on a regular basis to drill proper pronunciation of some of my problem words in Spanish. I have various other personal improvements I will be working toward as pastor this year. Let us all encourage each other in growth this year, and if we help each other stay strong, we are bound to be in a much better state next Christmas!

# Epiphany

Tradition says that the “Three Kings” were converted and became holy saints. It is said that the Three Kings who traveled to Bethlehem to adore the newborn King were radically changed by the experience and abandoned their pagan ways. According to one account, the Magi traveled to India and were eventually baptized by St. Thomas the Apostle before their deaths. Tradition has since held Balthasar, Melchior and Caspar as “saints,” and throughout the centuries various prayers have been composed to them. Below is one such prayer, part of a longer novena to the Magi that is often said in preparation for the feast of Epiphany.

*O Holy Magi, you were living in continual expectation of the rising of the Star of Jacob, which would announce the birth of the true Son of justice; obtain for me an increase of faith and charity, and the grace to live in continual hope of beholding, one day, the light of heavenly glory and eternal joy. (Share your request ...) Glory be to the Father and to the Son and to the Holy Spirit, as it was in the beginning, is now, and ever shall be, world without end. Amen*

The Roman Ritual provides a strong blessing of Epiphany water that casts out all evil spirits, emphasizing the symbolism of water as a cleansing agent. While the feast of Epiphany in the Roman Rite is primarily focused on the visit of the Magi, historically it was more focused on the baptism of Jesus Christ in the Jordan River. For this reason, there developed a special blessing of Epiphany water in memory of Jesus Sanctifying the waters of Baptism. This blessing of water on Epiphany was maintained by Eastern Catholics, but Roman Catholics also have an optional ceremony that was approved in 1890 that did homage to this tradition.

The emphasis of the blessing, however, was less on the commemoration of Jesus' baptism and more on the symbolic nature of water as a cleansing agent. In this way, the blessing of Epiphany water in the Roman Rite was used to cast out Satan and all his demonic angels.

## Blessing of Epiphany Water

**Monday, January 6**

**After the 8:15 a.m. Mass**

**(Please bring water for the blessings)**

### **Epiphany Water**

It is a powerful blessing, one that uses strong language to invoke the power of God over evil. It reminds us of the spiritual power of holy water and encourages us to use it in faith, trusting in the protecting help of God over our spiritual enemies.

# St. Vincent de Paul

## Thanks to you, Christmas was Merrier for Our Neighbors!

You made the 2024 Giving Tree Project a wonderful opportunity to share love and create joy. Parishioners and SVdP volunteers delivered gifts to 185 Benicia children (91 families) and \$50 Safeway grocery certificates to 198 Benicia families.

You also made possible 80 each, \$50 Safeway grocery certificates to residents of Benicia's senior home, Casa de Vilarrasa, and 24 gifts to St. Dominic's Gabriel Project. You also spread Christmas love to three Vallejo organizations with 60 gifts to Heartwood Avenue Healthcare, 65 gifts to Springs Road Healthcare and 25 gifts to LAAM (Life.... Abortion Alternative Ministries) and 20 gifts (sweat top & bottoms) to the Solano County Jail Ministry so that people released have something to wear rather than paper clothes.

Your generosity is amazing and so very much appreciated by our neighbors. Thank You and May God Bless You for Your Kindness!
